

# 360 STEALTH FLEXIBLE DESK

## H I G H L I G H T S

- Non-Handed Desktop Shape
- Collaborative Three-way Design
- Heavy-Gauge Steel
- Adjustable Height Inserts
- Lifetime Frame Warranty
- Adjustable Height U-Brace
- High Impact Molded Receivers
- Laptop Friendly

### Specifications

**Leg Mount Housing:** Factory installed thermo-molded synthetic polymer, formed with at least 8 vertical gussets and four mounting holes to receive attachments.

**Leg Insert:** 1.115" diameter, 16 gauge cold rolled steel. Nickel/chrome plated tubing with ten punched holes to receive adjusting screw. Leg adjustment uses two self-tapping locking screws which pass completely through both upper leg and lower insert. Standard legs adjust to achieve 22.5"-30.5" table height. Tall model legs adjust 30" - 43" table height.

**Chrome Finish:** Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel. Hard-Chrome will not scratch. CASS test per ASTM B 368 - 22 hours harsh tested before rust. Our product is chromed on plateable quality tubing after all welding is completed.

**Glide System:** Glide attachment will be a standard internal gripping spring steel umbrella at least 5/8" diameter or larger. The glide will have a ferrule. Glide casing and ferrule shall be constructed of durable case hardened steel; no plastic. The glide will be of full swivel design, silent and firm fitting for positive attachment and retention. All glides must make full level contact with the floor and the maximum swivel angle of the glide shall not be violated. Incorporating our exclusive glide button system available in either nylon, neoprene, steel, or wool felt bottom. Pick the right base for the floor surface. Snap on a new base for surface change or wear replacement.

**Solid Plastic Top:** Solid molded thermoset plastic. 36" x 28" x 28" x 5/8" with smooth molded edges and permanent color throughout thickness. Pencil groove. Top is attached using self-tapping screws into twelve uniformly drilled holes.

**Laminate Top:** Three-ply construction. 20" x 21" x 27" High pressure laminate and backer are 'fused' to the wood core base using a glue web formulation that is clean, environmentally safe, extremely consistent. Thick bull-nosed edging. Top is attached using self-tapping screws into twelve uniformly drilled holes. No pencil groove.

### Warranty:

- Limited Lifetime Frame Warranty
- 10 Year Comprehensive Warranty

### Models:

- 360 •Stealth Flexible Desk - HP 36" x 28" x 28" x 5/8".
