

3608SC MOTION CHAIR

3608SC

This is the ULTIMATE chair for both student collaboration and fidgeters! This chair turns quietly, low profile casters allow for mobility with enough resistance to keep students from rolling around too freely, while the Euroflex™ Shell allows for the natural rocking motion it was designed for.
THE ONLY FIDGET SEATING DESIGNED FOR ALL DAY USE !!

Euroflex™ Motion Chair Specifications

Frame: 18" unit: .875" x 1.562 Elongated Oval, 14-gauge Cold Roll High Strength Low Alloy Steel. All units are welded together with two seat brackets of 13-gauge die-formed steel, integrally tying all tube parts for maximum structural integrity. Frame is hard nickel chrome plated after all welding is complete.

Standard Chrome Finish: Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel. Hard-Chrome will not scratch. CASS test per ASTM B 368 - 22 hours harsh tested before rust. Our product is chromed on plateable quality tubing after all welding is completed.

Casters: Low Profile twin-wheel soft casters.

Euroflex™ Shell: Generously sculpted one-piece shell is injection molded from proprietary high impact, blush resistant polypropylene plastic with an antistatic additive. Collaborative seat design can be comfortably sat in all four directions. Dual textured surface is etched to provide a non-slip surface while assisting in maintaining like-new appearance. Responsive, active, back encourages proper task position as well as ventilation. Seat back incorporates handle for movement. Innovative design and rib pattern transfers weight to the frame while adding rhythm and movement. Mobility wings in seat provide more surface and grips for movement. Shell design allows inverted stacking on desk for floor maintenance. The shell is attached to frame with four concealed machine rivets. Waterfall front for enhanced circulation. Exclusive dual-stacking design.

Swivel: Heavy Duty, Ball-Bearing swivel is welded to understructure and texture powdercoated as an integral unit. Upper is lock-bolted to chrome frame at four points.

Warranty:

- Limited Lifetime Frame Warranty
- Ten Year Comprehensive Warranty

Models:

- 3608SC • 18" Motion Chair with Casters and Swivel
