- 12" Adjustable Height
- Adjustable Glides

PLR Table Specifications

Frame: All-tubular frame design with attachment plate, 18 gauge x 1.250" tubing uprights, multiple arc welded into a integral design. 1.250" x 18 gauge tubular cross brace is welded to connect each leg. Minimum 24" of total weld. This table has a 14 gauge structural beam under the center of the top with 10 gauge end caps that bolt to the leg frames. Ensuring maximum support. Frame upper is powder coated after all welding is complete.

Standard Chrome Insert Finish: Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel. Hard-Chrome will not scratch. CASS test per ASTM B 368 - 22 hours harsh tested before rust. Our product is chromed on plateable quality tubing after all welding is completed.

Standard Frame Finish: Electrostatically applied powdercoated Textured Powdercoat hides fingerprints and offers superior wear resistance due to the raised surface.

Inserts: 1.125" diameter, nickel/chrome plated tubing with punched holes to receive two adjustment screws per leg. Leg adjustment uses self-tapping locking screws which pass completely through both upper leg and lower insert.

Glides: Four independently adjustable nylon

glides. Glide adjust via inside holding metal threaded adapter. The units allows for easy adjustment for inconsistent floors.

Solid Plastic Top: Solid molded thermo-set plastic. 19" x 26" work surface with smooth molded edges and permanent color throughout thickness. Molded pencil groove. Top is attached using self-tapping screws into twelve uniformly drilled holes.

Laminate Top: Three-ply construction. 20" x 21" x 27" High pressure laminate and backer are 'fused' to the wood core base using a glue web formulation that is clean, environmentally safe, extremely consistent. Thick bull-nosed edging. Top is attached using self-tapping screws into twelve uniformly drilled holes. No pencil groove.

Warranty:

- Limited Lifetime Frame Warranty
- Ten Year Comprehensive Warranty

Samples: Compliance with the specifications and verification of required quality levels may be determined by requesting samples.

Models:

- NPLR3060♦ Adjustable 26" to 38", Spray edge Top 29.8" X 59.8".
- NPLR3660♦ Adjustable 26" to 38", Spray edge Top 35.8" X 59.8".
- NPLR3672♦ Adjustable 26" to 38", Spray edge Top 35.8" X 71.8".
